No. GDM.1/Flood/2024/132-133

Date: 15-06-2024

**ORDER**

It has been observed that due to obstruction / encroachment / unwanted / blocking / illegal construction in natural and other drainage system / foot path cum drain / other drains adjacent to National High ways / State high ways / PWD roads / public utility roads / Govt. / Myadi patta land etc. which may leads to severe water logging / urban flooding in many parts of Goalpara district creating nuisance to the large number of inhabitants and as well as hindrance for public at large.

Whereas, I am of the considered opinion that, if this obstruction / encroachment / unwanted / blocking / illegal constructions in natural and other drainage system / foot path cum drain / other drains adjacent to National high ways / PWD roads / public utility roads / Govt./ Myadi patta land etc. are not removed / cleared / demolished immediately, it may cause severe water logging problem in many parts of Goalpara district putting the public in general in situation of great inconvenience and hardship during monsoon season.

In view of the above facts, I Sri Khanindra Choudhury, IAS, District Commissioner & Chairman, District Disaster Management Authority, Goalpara feels immediate necessity to direct the concerned Revenue Circle Officers and Officers of other enforcement agencies / department / regulatory bodies like Municipal Boards, Development Authority, PWD Roads, PWD (NH), Water Resources, Town & Country Planning etc. to take immediate necessary steps to clear / remove / demolish all such obstructions / encroachments / unwanted blocking / illegal constructions in natural and other drainage system / foot path cum drains / other drains adjacent to National High Ways/ PWD roads/ public utility roads / Govt. / Myadi patta land etc. with proper coordination and in advance intimation to the concerned people for relieving the public in general from severe water logging during monsoon season.

Moreover, as these works are of an emergent nature for mitigating the urban flood / water logging problem, public interference or hindrance during execution of the work by the executing agency / department, it will be considered as obstruction to the public service and legal action may be initiated as per prevalent acts and norms.

This direction is issued in greater public interest and as per provisions as laid down in Section 30.(2) sub sec. (iii), (v), (vi), (viii), (ix), (xi), (xx), (xxiii), Section 34(k), Section 41 (c), Section 51(a) and (b) of the Disaster Management Act. 2005.

This order comes into force with immediate effect.

  
District Commissioner

cum Chairman, DDMA, Goalpara
